KNYSNA-KOPPE

Pieter Bruwer is a general practitioner in Piketberg. Although he has no formal art training, he has exhibited in Cape Town, Bellville and Paarl. He mainly paints landscapes, but is also interested in figure and portrait paintings.

EDITOR'S COMMENT 196

artificially enhance performance (cheating) is commonly referred to by the term 'doping'.

W Derman

GUEST EDITORIAL 197

D Constantinou

The collapsed football player 198

The sight of a football player lying on the ground, surrounded by coaches and medics, is not uncommon.

S Motaung

Knee injuries in football 202

Knee injuries are particularly common in football.

M Ferguson and R Collins

Football emergency medicine 208

Emergency medicine in football is now regarded as a sub-speciality of emergency medicine.

E B Kramer

Current perspectives of doping in football and the 2010 list of prohibited substances 213

In sport, the use of pharmacological agents or other biological or non-biological methods to

Medical considerations in the female football player 217

Although South Africa has been a pioneer of women's football in Africa, myths and prejudices surrounding the women's game remain. From a health perspective, the benefits clearly outweigh the risks.

D Constantinou

Football injuries – surveillance, incidence and prevention 220

Football is the game played by more participants internationally than any other at all levels.

D Constantinou
