Annual R1 044.00  
Outside R2 352.00  
Single copies R95.00  
Students – on application

## Flowers

*Dr Roger Melvill is a neurosurgeon who lives in Noordhoek. Most weekends will find him at work of a different kind as he stands at his easel. His love of nature acts as his muse as he depicts the beauty he finds in the floral kingdom, in landscapes, and in animal life. His message is simple: see the beauty of creation. He hopes that his paintings will bring a few moments of enjoyment to those who see them.*
